Route: Naples ▶ Sorrento ▶ Positano ▶ Naples

Morning

- Breakfast.

Departure by Ferrari along the coast to reach, Sorrento and Positano

- Halt in Sorrento and time at disposal to visit the town.

Sorrento Peninsula has a unique landscape in the world, where low and high hills, deep valleys and majestic mountains alternate, where the Man's work - who levelled even the most impervious areas, transforming them in the famous terraces degrading towards the sea, on which he cultivated orange and lemon trees, olive groves and vineyards - has been grandiose. These are the delight's gardens that in springtime exhale a stirring scent of orange - blossom. The mild and dry climate for most part of the year makes Sorrento Peninsula the ideal destination in every season.

Lunch in Sorrento – Restaurant suggestions: **Il Buco** (1 Michelin star), **Caruso**.

Afternoon

Departure by Ferrari towards Positano, last halt in today's itinerary

Along one of the most beautiful areas of the Salernitana coast, rises the wonderful city of Positano, in an amazing panoramic location, looking out onto the vast, clear blue sea.

Emerging from the sea around three miles from the coast is "Li Galli" or "Sirenuse", a small archipelago, formed by three islands.

Despite intense development, Positano has maintained its distinct characteristic of a vertical village and its cheerful architecture with charming nooks and stunning scenery.

The whole town is worth seeing with its multitude of houses, domes, arches, alleys and its thousand stairways that climb up along the rocks.

After the visit to Positano return by Ferrari to Naples

- Arrival in Naples and time at guests' disposal.

Evening

Dinner in Naples, taste a real pizza, suggestions: **Pizzeria Acunzo**, **Cafasso**.

Overnight at **Gran Hotel Vesuvio 5*** (Naples).

Guests can drive the Ferrari for up to 250 km during the day 

DAY 4: FROM NAPLES TO THE AMALFI COAST

Route: Naples ▶ Amalfi Coast

- Breakfast and time at disposal to visit the town (guided tour of Naples upon request).

Naples' heart is the historic city, which UNESCO declared a Cultural Heritage site. Its narrow alleyways lead to mysterious churches, catacombs and underground caves. Until today, Naples' old folk culture reveals itself to the visitor among craftspeople, fluttering laundry and shouting fish sellers.

- Return to the hotel.

Departure by Ferrari on the highway towards Salerno to reach Vietri sul Mare

- First halt in Vietri sul Mare for a coffee/toilette.

Vietri is known for its production of handcrafted ceramics decorated by hand.

- The itinerary continues in direction of Amalfi, passing through Cetara, and Capo Orso, to reach Maiori for lunch.

Lunch in Maiori - Restaurant suggestion: **Il Faro di Capo Orso** (1 Michelin star).

The restaurant, established in 1930 faces the splendid gulf; the cuisine is enriched by the flavours and colours of the Amalfi Coast.

After lunch the route leads to Amalfi, passing through Minori and Atrani

- Second halt in Amalfi and time at disposal to visit this gracious town.

The origins of Amalfi are veiled in legend, founded by the hero Hercules, who on this beach buried his beloved Amalfi, the nymph with eyes the colour of the sea...

Indeed after the cultural Avant Garde, the disaster of the two wars, the next appointment was at the end of the fifties and the beginning of the sixties: when the Dolce Vita (sweet life) exploded on the scene and summers were spent between Capri, Amalfi and Positano. Actors, film directors, artists and adventurers of every type populated the Amalfi Coast with their great love stories and scenes of jealousy, works of art...

The itinerary leads to Positano to reach the splendid Hotel Le Sirenuse, end of the Ferrari experience

- Arrival in Positano and check-in at [Hotel Le Sirenuse](#).

The distinguished Le Sirenuse, a unique luxurious hotel in an 18th-century villa, centrally located in one of the most desirable hillside vantage points in Positano, overlooking the beach.

Quiet elegance and intimate European charm are reflected by the antiques and keen attention to detail throughout the hotel. With the sea straight ahead, the village of baroque houses climbing the hill to the right, and the tiled dome of the Mother Church almost close enough to be touched, the view from our terraces is breathtaking. Out on the horizon lies the sinuous profile of the Islands of the Sirens.

Evening

Dinner in Positano - Restaurant suggestions: **La Sponda** at Le Sirenuse Hotel; **Le Terrazze**.

Overnight at **Hotel Le Sirenuse 5*** (Positano).

Guests can drive the Ferrari for up to 120 km during the day 

DAY 5: ARRIVEDERCI ITALIA!

Morning

- Time at disposal to discover Positano or to relax in the pool of the hotel.

This dramatically beautiful town clinging to the cliff face as if about to cascade into the turquoise waters below has become synonymous with beach fashion. Positano's elegant shop windows are full of displays of brightly coloured robes, bikinis, bags, and Bermuda shorts all made in cool linen, gauze and cotton.
