Ferrari driving experience

Our **Tour Director** leads the convoy at the wheel of his car, guiding the Ferraris along the **most exciting hilly and curving roads**, carefully selected by Red Travel. Each team member is connected to Red Travel staff by means of a powerful radio system.

Enzo Ferrari defined it “the world’s greatest road race”. And he was right. “Mille Miglia” is a historical car race that took place between 1927 and 1957, covering the one thousand miles route Brescia-Rome-Brescia. The Mille Miglia is now a world-renowned event, epitomising the passion people hold for cars - cars in the pursuit of adventure, excitement and discovery.

During your drive, you will pass by some of the most important places of a historical race, the Mille Miglia, which has made famous worldwide auto brands such Alfa Romeo, Lancia and Ferrari, as well as Bugatti, Mercedes-Benz, BMW.

Itinerary: *Civitavecchia, Tarquinia, Tuscania, Vetralla, Monte Romano, Tolfa Mountains, Bagni di Stigliano, Lake of Bracciano (halt for a break), Castel Giuliano, Cerveteri, Santa Marinella, Civitavecchia.*

You will discover the splendid landscape of the Tuscia area, and the uncontaminated Tolfa Mountains, where one can still smell the ancient times, when the Etruscans populated this place. Yet, this atmosphere can be seen in the ruins of ancient necropolis found in the area.

- Travelling along the stirring roads of the Lake of Bracciano and the Tolfa Mountains, you will drive the super cars towards an **ancient Castle**, where you will enjoy a magic atmosphere for an unforgettable **coffee break**.
