PRESS RELEASE 2013

Italia in Maserati - extend luxury experience in Italy

Red Travel opens the doors of Italy to its most discerning visitors.

Join Italia in Maserati and put yourself at the wheel of the latest Maserati as you tour through enthralling scenery. Or choice to be chauffeur-driven in a selection of the finest cars in the world.

Red Travel – launched in 2004 to provide escorted travel through the exquisite countryside and towns of Tuscany in Ferraris – has now added a new way of travelling, with a sublime car such as **Maserati Quattroporte**, able to combine luxury and elegance, style and performance.

With Italia in Maserati, you may choose to self explore Italy at the wheel of a brand new Maserati, fully assisted by Red Travel staff with a concierge service at your disposal for 24hours/7 days, a detailed road-book to guide you through countryside roads dotted with villages of incomparable beauty, as well as the most attractive spots in world-renowned cities. Or you may decide to visit Italy in a complete relaxing way while a professional chauffeur drives you wherever you want, whenever you like!

Chairman of Red Travel, Andrea Levy, explains that the experience of seven successful years providing exclusive tours, with an emphasis on flexibility to match each customer's individual requirements, has given Red Travel the impetus to expand.

"Red Travel has thrived because of our personal service to clients and our selection of excellent hotels, gourmet restaurants, and our knowledge of the most beautiful routes through which to drive," he says.

"That philosophy has seen Red Travel selected for six years in a row as one of the most innovative and glamorous travel experiences worldwide.

"Our clients are at the very top end of the travel market and are always looking for new experiences and we have added our new limousine, villa and yacht options as the direct result of requests we have received from clients.

"That gives us great confidence for the future and we look forward to welcoming new and returning clients to the wonders of Italy."
